

Getting to Know Your Child!

Dear Parents/Guardians,

I am very interested in getting to know your child this year so I can teach him/her to my fullest capabilities. It would be most helpful if you and your child took the time to answer the following questions over the course of this week. I will review it over the weekend. Thank you so much for your help!

Child's Name: _____

Nickname: _____

Parent/Guardian Name(s): _____

Parent/Guardian Email(s): _____

Parent/Guardian Phone(s): _____

Is there anything I need to be aware of related to your child (allergies, medical conditions, etc.)?

How does your child feel about school? What are some of his/her likes or dislikes?

Who will pick up your child from school (Please list the names of anyone who you think might carry this important responsibility throughout the year so that I can be sure your child makes it home safely)

Please list your preferred method of contact (phone, email, face-to-face) should I need to contact you about your child.

Do you have any concerns you would like to share? If so, please explain.

Please feel free to add any additional information you feel will be helpful.
